Attention is drawn to the following rules :—

1. No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

2. No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

3. No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

4. Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Commissioner.

5. Any candidate suspected of having had recourse to malpractice of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit, or, *if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results*, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

6. *No candidate will, on any account, be allowed to take into the examination room, ink, slates, books, ruled sheets, manuscripts or papers of any kind.* Any one detected in the violation of this rule or having recourse to any unfair practices will be removed from the room and the occurrence reported to the Commissioner. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

7. Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents giving full particulars in regard to themselves including their address and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

8. Candidates choosing to change their place of examination without previous permission or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

9. A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

10. Any answer papers, or any work in Carpentry, Fitter's work, etc., sent up without the candidate's name and number affixed will not be valued. The answer papers and drawings should be stitched or pinned together at the upper left hand corner, and the whole folded in *two*, lengthwise (not crosswise into four). The place of examination and the name and number should be written out clearly by the candidate on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

11. Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

12. Candidates are forbidden to tear up papers, or to throw ink or papers on the floor. All "spoilt copies, etc.," should be left on the desk where the candidate has been writing.

It is hereby notified that the arrangements made for the conduct of the Oral and Practical Examinations for the several subjects under the different groups will be published in the *Fort St. George Gazette*, from time to time, the subjects, centres, etc., to which the arrangements relate being specified. In all cases for which no arrangements are notified in the Gazette, the necessary information can be obtained from the Chief Superintendents of the Written Examination concerned.

2. Candidates who may not be able to attend the Oral and Practical Examinations should intimate the fact, sufficiently early, to the Examiner whose name is entered first against the subjects brought up by them, so that arrangements may not be made for their examination. The particular subjects and grades for which the candidates concerned are unable to attend should be clearly specified in the letter to the examiner.

The names of selected candidates should appear in the list in the order in which the subordinate Inspecting officers wish they should be taken, *i.e.*, they should be selected in reference to their general educational attainments, their service as teachers, the need for their training, and the nature of their appointment and the school from which they apply for training. Candidates who do not satisfy the condition of the age limit under rule 114 of Madras Educational Rules should not, except in very special circumstances, be included in the list and the selection should be regulated, as far as possible, by rule 115. In the case of rejected candidates, the reasons for rejection should be mentioned against each.

5. To provide for the contingency of some of the candidates selected not joining the training schools, a few more than the sanctioned number will be selected by the Inspector for each range. All selected candidates who present themselves at the training schools on the opening day will be admitted; those who present themselves later will be admitted in the order in which they present themselves but only up to the number of sanctioned vacancies.

6. The list should include no one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession.

7. In the selection of candidates for training next year, those who were awarded stipends this year but were refused admission on account of their not appearing in time might have a first claim for admission.

8. In addition to provincial stipendiaries, candidates whose stipends are paid by Local or Municipal Boards will be admitted for training, as also private candidates as free students.

9. As regards qualification for admission only those candidates who have passed the annual examination of the third form or seventh standard and have been found fit for promotion to the fourth form or have been awarded an elementary school leaving certificate of the seventh standard are eligible for admission into the elementary higher class and only those who have passed the late Primary Examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than these are eligible for admission into the elementary lower class. Preference should be given as much as possible to candidates whose educational attainments are above these minimum requirements. The certificate of general education should be sent in original with the application. The certificate of physical fitness need be produced only by the candidates chosen as stipendiaries. Separate conduct certificates need not be submitted by candidates whose applications are signed by an Inspecting officer.

The number of stipends available for each range is ten.

11. Printed forms of application can be obtained from the Assistant and Sub-Assistant Inspectors of Schools.

12. Applications completed in accordance with the above instructions should reach the undersigned before the 15th May 1915.

13. Admission into training schools for masters under private management will be regulated by rules 2, 10 and 12 in addition to those contained in Chapter X of the Madras Educational Rules.

The Inspector of Schools, Sixth Circle, hereby notifies, for the information of the Assistant Inspectors, the Sub-Assistant Inspectors and the Managers of Aided Schools, that the candidates of the Secondary and Elementary grades will be admitted for training in July 1915 in the following Government Training Schools under his charge:—

Number.	Name of institution.	Number of stipends available.			Total.
		Secondary.	Elementary Higher.	Elementary Lower.	
1	Government Secondary Training School, Tanjore	21	....	....	21
2	Government Lower Elementary Training School, Tanjore.	....	....	27	27

2. The period of training in the case of Secondary students is one year and in the case of Elementary students two years.

3. The Inspector of Schools, Sixth Circle, will make the selection on the recommendation of the subordinate Inspecting Officers.

4. The Sub-Assistant Inspectors are requested to submit to the Inspector through the Assistant Inspector two lists—one of selected and the other of rejected candidates.

The lists of selected and rejected candidates should be submitted to the Assistant Inspectors of Schools of the respective districts by the subordinate Inspecting Officers in time for the former to consolidate them and submit them to the Inspector of Schools before the due date. The names of selected candidates should appear in the list in the order in which the subordinate Inspecting Officers wish they should be taken, *viz*, they should be selected in reference to their general education, attainments, their service as teachers, the need for their training, and the nature of their appointments and the school from which they applied for training. Candidates who do not satisfy the condition of age limit under rule 114 of the Madras Educational Rules should not, except in very special circumstances, be included in the list and the selection should be regulated as far as possible by rule 115.

In the case of rejected candidates, the reasons for rejection should be mentioned against each.

5. To provide for the contingency of some of the candidates selected not joining the training school, a few more than the sanctioned number will be selected by the Inspector of Schools from each range. All selected candidates who present themselves at the training schools on the opening day will be admitted; those who present themselves later will be admitted in the order in which they present themselves but only up to the number of sanctioned vacancies.

6. The list should include no one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession.

7. In the selection of candidates for training, those who were awarded stipends last year but were refused admission on account of their not appearing in time might have a first claim for admission.

8. In addition to provincial stipendiaries, candidates whose stipends are paid by Local or Municipal Boards will be admitted for training as also private candidates as free students. No provincial stipends will be sanctioned for teachers who hold permanent appointments in Board and Municipal Schools.

9. As regards qualifications for admissions only those candidates who have passed the annual examination of the third form or seventh standard and have been found fit for promotion to the fourth form, or have been awarded an elementary school leaving certificate of the seventh standard are eligible for admission in the Elementary Higher class, and only those who have passed the late Primary Examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting Officers are not lower than those, are eligible for admission into the Elementary Lower class. Persons holding such Secondary School-leaving certificates signed by the Secretary to the Board for the award of such certificates as are accepted by the Inspector may also be selected. Preference should be given as much as possible to candidates whose educational attainments are above these minimum requirements. The certificate of general education should be sent in original with the application. The applications of candidates who have not forwarded general education certificates in original will be rejected. The certificate of physical fitness will be produced only by the candidates chosen as stipendiaries. Separate conduct certificates need not be submitted by the candidates whose applications are signed by an Inspecting Officer.

10. In cases in which the number of candidates applying for training is in excess of the number for whom there is provision, the selection should be made on the result of an entrance examination conducted by the Sub-Assistant Inspector of Schools.

11. Printed forms of applications can be obtained by the correspondents of Secondary Schools from the Inspector of Schools and all others should apply to the Sub-Assistant Inspectors of Schools of their ranges. No notice will be taken of the requisitions for application forms sent in this office other than by the correspondents of Secondary Schools.

12. Applications completed in accordance with the above instructions should reach the Inspector before the 20th May 1915.

13. Admission into Training Schools for Masters under private management will be regulated by rules 2, 10 and 11 in addition to those contained in Chapter X of the Madras Educational Rules.

STATION . (*Signature*)

Dated 1915. (*Designation*)

N.B.—Please give the place of residence with door number and street in addition to the place of business in the second column of return.

INSTRUCTIONS FOR THE PREPARATION OF THE TRUE RETURNS OF INCOME REFERRED TO ABOVE.

(1) In the case of a firm, the ordinary designation of the firm should be entered in column 1.

(2) If the person or firm making the return has several places of residence or business, they should all be mentioned in column 2, the principal place of residence or business being specified.

(3) Column 3 should show all sources and amounts of income, specifying separately those chargeable under Parts I, II, III and IV of Schedule II of the Act, and the number of shares in such income and the names of shares. In this column should be entered in detail every separate source of income accruing and arising in British India. Salaries, pensions, annuities and gratuities are chargeable under Part I, interest on Government and other securities under Part II and other sources of income including the rental value of buildings occupied by owners calculated under section 24 of the Act, and interest on fixed deposits in any bank, joint stock company or other mercantile firm, are chargeable under Part IV of Schedule II of the Act.

(4) In column 4 should be entered the gross income accruing and arising during the year ending on the day on which the person's accounts have been last made up or if the person's accounts have not been made up within the year ending on the 31st day of March in the year immediately preceding that for which the assessment is to be made, then during the year ending on the 31st day of March. In this column, the period during which the income from such source has been derived should be specified.

(5) Against the gross receipts, no deductions should be made on account of disbursements or expenses not wholly and exclusively incurred in respect of the profits returned, nor on account of the maintenance of the assessee himself or his family or domestic establishment; nor shall any deduction be allowed on account of any tax, rate or cess to which the assessee is liable, other than a tax or rate imposed on the assessee, in respect of his ownership of any buildings or lands not used for agricultural purposes under sections 129, 145, 149 and 149 of Act III of 1901 (Madras), sections 95 and 75 of Act IV of 1884 (Madras), section 57 (i) and (ii) of Act V of 1884 (Madras), section 17 of Act XIII, 1889 (India), (Notification No. 215, dated 17th April 1895, published on page 488, Part I of the *Fort St. George Gazette*, dated 30th April 1895).

(6) A deduction for the purpose of securing a deferred annuity or a provision for wife or children or a payment to a Life Insurance Company should not be excluded from column 4 but should be included in the column headed "Total deductions" and supported in the insurance case by a receipt for such deduction or payment.

EXAMPLES OF DEDUCTIONS FROM THE GROSS RECEIPTS WHICH ARE ADMISSIBLE.

(a) *In the case of trades or professions.*

(1) Sums actually expended in the repairs of implements, utensils or articles, used solely for the purpose of the profession or trade.

(2) Sums expended in insuring or keeping insured the buildings, machinery and plant, implements, and stock used for the purposes of the profession or trade. The deduction is confined to the premia (including subscriptions, etc.) paid during the year upon the income accruing in which the tax is assessed.

(3) The amount of rent paid for any premises exclusively used for such profession or trade.

N B.—Where they are not exclusively used for such profession or trade, only a *fair* proportion of such rent is admissible for deduction.

(4) The amount actually expended on repairs and renewals of such premises, if the repairs and renewals are at the cost of the assessee. The assessee must be prepared to prove the amount spent by means of vouchers.

(5) The amount expended as salaries of persons employed solely and exclusively in the profession or trade. When a firm has transactions both in and out of India and realizes profit in both by means of an establishment maintained in India in common for both, only a proportionate deduction is allowed (the exact proportion of which will be determined by the assessing officer in each case).

(6) The amount of any loss in trade or of the stock in trade actually written off during the year. In cases where there is loss in one trade or profession and profit in another, the loss may be set off against the profits, and any excess loss deducted. So also loss under any one part of the Schedule may be set off against income under any other part.

(7) The amount of any bad debt (or debts) *bona fide* and upon reasonable grounds written off as irrecoverable within the year, provided—

(i) that such bad debt (or debts) has been regularly brought forward in the ledger from year to year from the date on which the debt arose;

(ii) that it has been written off to profit and loss before;

(iii) that when once a particular debt has been *bona fide* and upon reasonable grounds written off to profit and loss in one year, no portion of such debt can be carried forward so as to be set off against or taken in deduction of the profits of the next or any succeeding year.

Note.—In writing off bad debts against the income of any year care must be taken to see that the amount is not unnecessarily deducted and not deducted more than once.

(8) Interest paid on borrowed capital. The assessee may be required to satisfy the assessing officer that only capital actually employed in his trade is taken into account in this connection.

N B.—When the whole capital is not exclusively employed in the trade, only a *fair* proportion of the interest paid shall be deducted.

(9) Such miscellaneous and contingent charges as Commission or Discount—
Postage, Telegraphic, Law, Advertising and Stationery charges.
Shipping, Freight, Railway and other Transit charges.

N B.—The nature of the charge and the amount incurred under each should be distinctly demonstrable.

(10) Payments actually made to Insurance Companies for the purpose of securing a deferred annuity or a provision for wife or children or a payment to a Life Insurance Company, but not those set aside to form an Insurance Fund.

(11) Charges incurred in providing tiffin for assistants, clerks and constituents.

(12) An annual depreciation of 6 per cent. on the original value of machinery and plant to cover renewals and repairs, subject to the following restrictions:—

(a) No deduction for wear and tear or repayment on account of any such deduction, shall be allowed in any year, if the deduction when added to the deductions allowed on that account in any previous years to the person by whom the concern is carried on will make the aggregate amount of the deductions exceed the actual cost to that person of the machinery or plant, including in that actual cost any expenditure in the nature of capital expenditure on the machinery or plant by way of renewal, improvement or reinstatement.

(b) Where, as respects any trade, manufacture, adventure or concern, full effect cannot be given to the deduction for wear and tear in any year owing to there being no profits or gains

chargeable with income-tax in that year, or owing to the profits or gains so chargeable being less than the deduction, the reduction or part of the deduction to which effect has not been given, as the case may be, shall, for the purpose of making the assessment for the following year, be added to the amount of deduction for wear and tear for that year and deemed to be part of that deduction, or if there is no such deduction for that year, be deemed to be the deduction for that year, and so on for succeeding years.

N.B.—Care should be taken to see that the deduction allowed represents the repairs, and depreciation of only one year, *i.e.*, the year the income of which is assessed.

(b) In case of houses owned and let by the owner for rent.

(1) Sums expended in insuring or keeping insured such houses, the deduction being confined only to the premia (including subscriptions, etc.) paid during the year upon the income accruing in which the tax is assessed.

(2) Actual expenditure during the year on repairs and renewal of houses, if such repairs are at the cost of the assessee, but not depreciation in the value of such buildings.

(3) Sums expended in collecting the rent not exceeding 6 per cent of the gross rental. The deduction applies only to direct payments.

(4) Any interest payable to a mortgagee not in possession, whether the interest has or has not been actually paid during the year.

(5) Any rent or quit-rent paid by the assessee on account of such houses, or their sites. (Notification No 89, dated 26th February 1895, printed on pages 209 and 210, Part I of the *Fort St. George Gazette*, dated 5th March 1895).

(c) In cases of houses occupied by the owner for dwelling purposes under section 24 of Act II of 1886.

(1) When buildings are occupied by their owners as dwelling houses, five-sixths of the estimated annual rent thereof shall be added to the net income under Para IV and the sum total assessed, provided that, where five-sixths of the annual rental value exceeds 10 per cent of the assessee's income from all sources whether taxable or not, the excess shall be deducted from the five-sixths of the rental value and the remainder added to the net income under Para IV.

(2) Houses reserved for the use of the owner, but not occupied by him during the period which serves as the basis of assessment.

N.B.—The term *renewal* as used in the return refers only to such works as are intended to put the building in the same state as it was in when it was originally constructed, while any additional accommodation provided or any material alteration to the plan of the building shall be treated as an addition.

When a portion of the house is occupied by the owner and the remainder let out on hire, the portions should be treated as if they were separate houses and deductions allowed accordingly, *i.e.*, either a sixth of the annual rent-value or actual expenditure on repairs and renewals, as the case may be

NOTICE

NOTICE REGARDING THE SALE OF THE RIGHT TO CUT AND REMOVE TANGADU BARK AND WOOD FOR THE PERIOD OF TWO YEARS COMMENCING FROM 1ST JULY 1915 TO 30TH JUNE 1917.

The right to cut and remove tangadu bark and wood from all the reserved forests only (the unreserves being sold by revenue authorities) in the Bellary district from 1st July 1915 to 30th June 1917 will be sold by public auction by the District Forest Officer, Bellary, in the Sandur Range Office at Hospet at 2 P.M. on Wednesday the 26th May 1915.

2. The sale will be by ranges, each range being put up for auction separately.

3. No person will be allowed to bid unless he has deposited with the officer holding the sale a sum of Rs 200 in the form of currency notes of Rs. 100 each, or a receipted challan for Rs. 200 remitted as earnest money deposit on account of the tangadu bark sale to be held on 26th May 1915. Smaller currency notes or silver coins will not be accepted by the officer holding the sale at the time of auction. The deposits of unsuccessful bidders will be returned immediately after the sale, while the receipted treasury challan will be passed for repayment at once.

4. No person will be allowed to bid who has failed to remit any kist due by him on account of previous tangadu or other contracts with the Forest Department.

5. Before the close of the sale such successful bidder must increase the deposit with the officer holding the sale to one-fourth of the amount of his bid subject to the maximum of Rs. 400, failing which, the range or ranges concerned will be resold at the risk and loss of the original bidder and the amount already deposited by him will be forfeited to Government. The defaulter shall make good any loss due to the resale, but shall not be entitled to any excess amount fetched by the resale. In cases where the one fourth of the bid amount is less than the amount deposited at the commencement of the sale, the initial deposit will be adjusted towards the revenue due, except in cases where the full lease amount falls short of the initial deposit of Rs. 200, when the contractor will be refunded the initial deposit versus the full lease amount at once.

6. Within ten days of the receipt of the order confirming the sale, each successful bidder will be required to execute an agreement (copy of which can be seen at the District Forest Office, Bellary) on a duly stamped paper and register it at his own cost. He will also be required to furnish a security deposit of one fourth of his bid amount which should be deposited in the postal savings bank if such security is less than Rs. 750, but if such security exceeds Rs. 750, the bidder will be required to transfer to the Collector of Bellary district Government promissory-notes of the value as nearly as possible equal to, but in no case less than one-fourth of the amount of his bid. The bidder will also be required to remit the first instalment less the enhanced initial deposit into the sub-treasury attached to his jurisdiction. In the event of failure of any of the conditions referred to in this paragraph, the penal clauses referred to in paragraph 5 above, will apply in this case also.

7. The ranges referred to are the forest ranges. The reserves included in each range will be appended to each agreement. If it is subsequently found that any reserve or reserves have been wrongly included in it in which case, such reserve or reserves will be excluded, and the contractor will have no right for any kind of compensation.

8. The officer holding the sale reserves to himself the right to reject any bid without assigning any reason.

9. The sales are subject to confirmation by the authority competent to sanction.

10. The Government reserves to itself the right to permit occupation of any such land and the contractor shall not be entitled to any compensation for any reduction of the area included in his lease which may be so caused.

11. The contractor shall not cut tangadu bark on areas where cultural operations have been made by the Forest Department.

12. At the time of sale the bidders will be consulted whether they wish all the reserves in each range sold together or in groups and the sales will be held according to the wishes of the majority.

M.R.Ry. Diwan Bahadur Govindoss Chathurbhoojadoss Garu.
M.R.Ry. C. Ramanujam Chetti Garu.

363. Read, approved and recorded the minutes of the proceedings of the previous meeting held on Friday the 19th March 1915.

364. Read again Port Trust Board Resolution No. 12, dated the 11th April 1913, and Government Order thereon No. 198, Marine, dated the 8th May 1913, sanctioning an estimate for Rs. 10,000 for a house for the Port Trust's General Foreman at the site of late Clive Battery. Read also Resolution No 288, dated the 9th January 1914, and Government Order thereon No. 45, Marine, dated the 10th February 1914, sanctioning an estimate for Rs 10,000 for a house near the Clive Battery for the Port Trust's Dredging Master.

Read a note by the Trust's Chief Engineer to the effect that both the buildings have been completed, but that it has proved necessary to make several additions to them not contemplated in the original estimate, of which the chief are servants' houses and sanitary arrangements for both buildings, roads in connection with them and a higher expenditure on electric fittings, as fully explained in the Trust's Chief Engineer's note which submits a new estimate amounting to Rs. 31,500 in lieu of the two, amounting to Rs. 20,000, already sanctioned.

Resolved that the new estimate be sanctioned under section 73 and that, under section 75 of the Madras Port Trust Act, Government be asked to sanction the debit of the additional expenditure now proposed, Rs. 11,500, to Capital.

365. Read a note by the Chairman submitting for sanction an estimate for Rs. 950 for walling the compound of "Trust Villa".

Resolved that the estimate be sanctioned debitable to Accounts head 3, Engineering and Maintenance—(viii) New minor works, for expenditure in 1915-16.

366. Read letter, dated the 24th March 1915, from Mr. Somerset Playne of the Foreign and Colonial Compiling and Publishing Company, submitting quotations for the insertion of photographs, illustrating Madras Harbour facilities, in their forthcoming volume on "Southern India: its History, Commerce and General Industrial Resources".

Resolved that the Trust's Chief Engineer arrange for one page of the illustrative photographs, for which a sum of Rs. 305 will be paid when the book shall have been published.

367 Read and adopted a draft letter by the Chairman to the Chief Secretary to Government, Marine Department, submitting for sanction and for incorporation in the Stationery Manual an amended scale of clothing and uniform to be supplied to the Madras Port Fund establishment from the commencement of 1916.

368 Read again Port Trust Board Resolution No. 324, dated the 19th February 1915, defining the conditions under which the Board would permit certain of its employees to serve as volunteers anywhere in India or in the vicinity of its land frontiers. Read also the Chairman's letter to Government No. 3157, dated the 23rd February 1915, submitting for orders the question of the payment of certain Port Trust employees during the time they are "fully mobilised".

Read and recorded the orders of Government thereon, No 132, Marine, dated the 23rd March 1915, to the effect that the payment of allowances to "fully mobilised" Trust's servants is inadmissible whether they are monthly paid employees or daily paid, and refusing to make a grant to regularise any such payments that may have been made.

369. The Board discussed the question of granting leave to certain of its employees, as has been done, it understands, in the Government services and by most of the mercantile firms in Madras, in order that such of them as are volunteers may not be losers by being fully mobilised. It also read again its Resolution No 19, dated the 12th April 1912 and Government Order thereon No 168, dated the 30th May 1912, approving of the principle that, instead of drawing up definite regulations for the leave and for the leave allowances of their servants under section 28 of the Madras Port Trust Act, the Board shall accept the Civil Service Regulations as a general guide in such matters while, in exceptional circumstances, it may depart therefrom by Resolution.

The following Resolution was thereupon passed :—

Resolved, as regards the fully mobilised monthly paid servants of the Board, that, from the date of the termination of any privilege leave which may have been due to them at the commencement of their full mobilisation, such employees be granted half pay leave until the end of their mobilisation, such leave being eventually debited against their furlough leave account.

Resolved also that the fully mobilised men on daily pay be treated as monthly paid servants during their full mobilisation up to 31st March 1915 in order that, as servants of the Board, they may obtain the benefit of the above special leave rule up to that date and that they be included in the Board's schedule of staff during that period.

379. The following statement of estimates sanctioned since the 13th March 1915 was ordered to be recorded :—

The Standard Barometer and Thermometers are read at 8 A.M., 10 A.M., 4 P.M., and 8 P.M., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The cistern of the Barometer is twenty-two feet above the level of the sea, and the receiver of the Rain Gauge is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 10·16 inches, the average due for the same period being 1·81 inches.

ചക്രവർത്തി മഹാരാജാവിന്റെ ഗവർമ്മെണ്ടു ഏർപ്പെട്ടിരിക്കുന്നതായ യുദ്ധത്തിന്റെ ഇപ്പോഴത്തെ നിലകൊണ്ടു പൊതുജനങ്ങളുടെ ക്ഷേമത്തെയും ബ്രിട്ടിഷ് ഇന്ത്യയുടെ രക്ഷയെയും ഉദ്ദേശിച്ചുവേണ്ടതായ പ്രത്യേകമായും താല്കാലികമായും അടിയന്തരമായും ആവശ്യമായ ചില അധികാരങ്ങൾ ഭരണകർത്താക്കന്മാർക്കു ഉണ്ടായിരിക്കേണ്ടതു ഇംഗ്ലാണ്ടിലെപോലെ ആവശ്യമാണെന്നു കണ്ടിരിക്കുന്നു.

എന്നുമാത്രമല്ല, യുദ്ധം ഇടഞ്ഞിയതിനുശേഷം ചില പ്രദേശങ്ങളിൽ നിയമലംഘനമായ കാര്യങ്ങൾ നടന്നിരിക്കുന്നു. ശത്രുവിനെ ഉടനെ തടുക്കേണ്ടതിനു പൊതുജനരക്ഷക്കു ആവശ്യമായിട്ടുള്ളതാകുന്നു.

ഇപ്രകാരത്തെ ഉദ്ദേശം നിറവേറ്റുവാനായി മട്ടങ്ങൾ ഉണ്ടാക്കുവാൻ ആലോചന സഭയിൽ ഗവർണ്ണർ ജനറൽക്കു ഒരു ബിൽ അധികാരം നല്കുന്നതിനു പുറമെ പ്രത്യേക നിബന്ധനകൾ സംബന്ധിച്ചിരിക്കുന്ന പ്രദേശങ്ങളിൽ തങ്ങൾക്കു തോന്നിച്ചിട്ടുവരുന്നതായ ചില തരം കേസുകളെ അധികം വേഗത്തിൽ വിചാരണ ചെയ്യേണ്ടതിനു പ്രത്യേക ന്യായാധികാരിയോഗങ്ങളെ ഏർപ്പെടുത്തുന്നതിനു ആ ബിൽ നിയമിക്കയും ചെയ്യുന്നു.

ആകയാൽ ഇപ്പോഴത്തെ യുദ്ധം നടന്നുകൊണ്ടിരിക്കുന്ന കാലത്തോളവും അതു അവസാനിച്ച ശേഷം ഒരുമാസകാലത്തേക്കുമാത്രമെ പ്രാബല്യപ്പെടുകയുള്ളു.
